June 2019

Dear Resident of Central Ladywood

### Central Ladywood Regeneration

Much of Central Ladywood was built over 50 years ago. It's nearly 30 years since Council-built homes and communal space had major improvements. Since the early 1990's, the Council and housing associations have built new homes. Big, new, private developments have appeared. There will be over 1,000 new homes in the Icknield Port Loop.

Now, many homes and communal areas are in need of improvement. We need new homes for our families, and for our older and younger people. The street scene and open space need attention. Doing nothing is not an option.

That's why we have urged the City Council to take action. And, that's why we support the Central Ladywood Regeneration Initiative for: the Five Streets, Gilby and Ruston, Guild and Rodney, Kilby and Lighthorne, St. Mark's and Middleway View (please see the enclosed map).

***We cannot do this alone. You know your area better than anyone. So, we've insisted that the regeneration is led by Central Ladywood Residents and their Councillors.***

We call upon Council tenants and owner-occupiers of houses, flats, maisonettes and bungalows in all 6 of the Council-built areas of Central Ladywood to join the Steering Group.

The 3 Housing Associations in the area will link up with their residents.

***Please complete and return the form overleaf by Monday 22 July.*** Even if you don't want to be on the Steering Group, you can get on the mailing list for news of upcoming meetings and consultations as we go along.

For improved homes and a better environment for present and future residents of Central Ladywood.

Best wishes

Cllr. Albert Bore

Cllr. Kath Hartley

***P.S. Over the page- news of  
the "Ladywood Fun Day"  
on Saturday 20 July.  
We've booked a stall at it.  
Please drop by to talk and to hand
