Hello,

I am dissatisfied with the below response.

I requested the Ladywood Estate Regeneration Scheme Master Plan.

The response says that 'An extensive public consultation is planned by the preferred Developer and the Council on a detailed masterplan for the area. The results of which will be put forward, when appropriate, in a detailed planning application expected in 2025/26.'

The masterplan was not provided to me as requested. The masterplan already exists, as clearly noted in 3.2.4 of the attached: 'The Masterplan prepared by St Joseph Homes Limited (Berkley Homes Plc) will be the basis of consultation with the community once the contract has been awarded.' This quote is from Birmingham City Council Report to Cabinet 27th June 2023 Ladywood Estate Regeneration - Full Business Case and Contract Award.

I again request the Master Plan. For complete clarity, I request the Master Plan prepared by St Joseph Homes Limited (Berkley Homes Plc) referred to in 3.2.4 Birmingham City Council Report to Cabinet 27th June 2023 Ladywood Estate Regeneration, which will be the basis of consultation with the community.

Kind regards, Laura

Good Morning,

Many thanks for sharing your questions regarding the proposed regeneration of your area.

As part of our commitment to working collaboratively with yourselves and the wider community, a meeting has been scheduled between Ladywood Unite and BCC representatives Councillor Francis, Deputy Leader Councillor Sharon Thompson and Paul Kitson, Strategic Director of Place, Prosperity and Sustainability, at which we hope to be able to respond to your queries.

Following this meeting, should you have any further queries, please contact us again via

LadywoodRegeneration@birmingham.gov.uk

We continue to work hard to be able to share further information and answer questions as quickly as possible. In these very first steps there will be questions for which we do not yet have detailed answers, however, we will answer honestly, transparently and as fully as we can and escalate such questions to find answers.

In the meantime, may we refer you to the Frequently Ask Questions (FAQS) at the following link (a hard copy available in the Ladywood Community centre):

[Ladywood Estate Regeneration Scheme | Birmingham City Council www.birmingham.gov.uk/info/50273/our_future_city_plan_ofcp/2756/ladywood_estate_regeneration_scheme](http://www.birmingham.gov.uk/info/50273/our_future_city_plan_ofcp/2756/ladywood_estate_regeneration_scheme)

A Resident and Community Charter is also being developed in collaboration with the community to reflect the priorities of local residents, a shared vision for the future of the area, the principles that will guide the regeneration process and the council's offer to residents and the wider community affected by the regeneration.

Some initial workshops specific to tenure types can be attended via the link below or by calling 0121 216 1002, operational Monday - Friday 0900-1700. These are the first of many opportunities to engage on the proposals:

Dear Ladywood Estate Regeneration Team,

Please note this email does not address my freedom of information request. When will you respond to my request?

Separately, I am part of Ladywood Unite and was not invited to this meeting. I look forward to hearing from you.

Kind regards
Laura
