

LADYWOOD BEING KNOCKED DOWN!

Birmingham City Council (BCC) is planning to destroy YOUR homes and businesses and you will be forcibly removed within the next 5-10 years. We are working to stop this and protect our communities, homes, churches and businesses since our MP Shabana Mahmood has been silent. Head to www.ladywoodunite.com to find out more about BCC's scandal and share with your friends and family. For now, you may be thinking...**what else can I do?**

SPEAK TO YOUR COUNCILLORS/MP

Although our local councillors and MP have been doing nothing about our pleas, it is best to have a paper trail of the complaints and correspondence you've had with them so we can build our case and put pressure on them.
