

Email Confirmation of Meeting 160224

On Thu, 25 Jan 2024, 17:43 Ladywood Regeneration,

Good Afternoon, Laura.

Many thanks for confirming your preferred date and time. We have now booked that in at the Council House, Committee Room 2 for 16th at 10:30am for a 45 minute meeting.

A one hour session out of hours on a Weds or Thursday starting at 5.30pm works for David if that sounds good? David is booked up in February so we would look to book an out of hours meeting for March 2024. If you come back to us with your preferred Wednesday or Thursday for an evening meeting that would be great and we can see what availability there is at the Council House.

Thanks for coordinating this with your colleagues, Laura.

Have a good evening,

Ladywood Regeneration Team | Place, Prosperity & Sustainability Directorate | Birmingham City Council |
